I.6) Main activity

Railway services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

WAN//LAN/Station Wifi (UCR)

Reference number

REQ1000095

II.1.2) Main CPV code

- 32000000 - Radio, television, communication, telecommunication and related equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

- This tender is presented as a single lot which captures the need for replacement of the existing LNER Local Area Network (LAN), Wide Area Network (WAN) and Station Wi-Fi

Infrastructure components to meet the future and existing business requirements of robust and scalable services between the LNER locations and Cloud Services.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 32412110 - Internet network

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

"This tender is presented as a single lot which captures the need for replacement of the existing LNER Local Area Network (LAN), Wide Area Network (WAN) and Station Wi-Fi Infrastructure components. It is a key priority to provide the business with a new WAN design, moving away from converged networking wherever possible and towards dedicated cloud connectivity for all sites across the LNER route.

The purpose of the LAN element of this tender is to provide hardware only to LNER in the form of a single vendor solution with a single management suite for all LAN/Wi-Fi infrastructure end to end provided to LNER for simplified and cohesive proactive future management.

The Station Wi-Fi replacement will be to provide to LNER a scalable and performant wi-fi solution to service both customers and staff with Internet access across our Station environments.

Our objective is to reach out and discover a market partner who can help us to introduce a resilient, performant and scalable end to end business network infrastructure solution that is fit for purpose and fit for the future business requirements. The successful bidder will be someone who is able to work well with LNER both a partner and supplier of critical business infrastructure and able to be flexible in both approach and mindset."

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Maximum number: 6

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No
