Engagement

Engagement deadline

10 April 2025

Engagement process description

STW and HD have a requirement for the ongoing supply of underground pipeline inspection cameras and accessories (water and wastewater), servicing, maintenance and repair. eg drain cameras.

We are keen to engage with interested suppliers to help design and tailor a sourcing strategy and procurement process that meets our requirement but is also suitable to the widest group of suppliers. Any future Tender Notice will be published and response to this pre market engagement is optional and does not contribute to any procurement process.

We invite suppliers to complete the following form and we will be in touch:
