Tender

Framework for Workforce Technology Systems

Guy's and St Thomas' NHS Foundation Trust

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-008494

Procurement identifier (OCID): ocds-h6vhtk-04eae7 ([view related notices](#))

Published 10 March 2025, 11:53am

Scope

Description

Framework for locally delivered Workforce Systems which seeks to continue to support the NHS Long Term Plan and People Digital Plan by providing a route to market for all software systems and digital solutions in use, to support the management, deployment and development of jobs and staff and associated reporting and analytics.

Commercial tool

Establishes an open framework

A series of frameworks with substantially the same terms. Awarded suppliers are carried over and new suppliers can bid.

Total value (estimated)

- £1,000,000,000 excluding VAT

- £1,200,000,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 18 August 2025 to 19 August 2026
- Possible extension to 19 August 2033
- 8 years, 2 days

Description of possible extension:

On the anniversary, we will look to relaunch a framework with substantially the same scope and terms and conditions for up to a maximum duration of eight (8) years.

Options

The right to additional purchases while the contract is valid.

The open procedure allows us to launch new frameworks on the anniversary for up to a maximum duration of eight (8) years.

Lot a2iSr000005WjrxlAC. Workforce Technology Systems

Description

General Requirements "The delivery of workforce specific software" The scope of this lot shall initially include; • Off the shelf systems and software (including general and mobile applications ("Apps")) • Software / App development • The development of systems / apps necessary to support their utilisation. • Standardisation of data flows and associated Application Programming Interfaces ("APIs") relevant to the product. The scope of this lot shall not include; - The ability to provide individual workforce members (People/Staff) - The role of carrying out Occupational Health assessments on individuals - The role of carrying out Clinical or Medical duties under supervision Whilst it is not envisaged that each Service Provider awarded to this lot will be capable of supplying all systems, Customers will have the ability to shortlist the most capable of bidders to provide their requirements. This will be managed through a shortlisting process based on the self-classification of each bidder's software solution(s) and the developmental capabilities of the bidder and the system once deployed. This lot is open to original equipment manufacturers only. Some example types of workforce software available under this lot are: • E-recruitment, employment checks and onboarding • Occupational Health • Case Management, including wellbeing • Wage Advance • Expenses • Rostering • Job Planning • Junior Doctor Module • Scheduling • Temporary Staffing • Learning Management Systems • Appraisal and revalidation • Performance Management • Succession Planning • Clinical Supervision Additionally, any other workforce software which can be described as "Workforce Technology" may be considered here.

Lot value (estimated)

- £330,000,000 excluding VAT
- £396,000,000 including VAT

Framework lot values may be shared with other lots

Same for all lots

CPV classifications, contract dates and options are shown in the Scope section, because they are the same for all lots.

Lot a2iSr000005WjtZIAS. Services for Integration, Deployment and Interoperability

Description

General Requirements "The supply of solutions to support the delivery of workforce technology systems" The scope of this lot shall initially include; • System training • Implementation, Transformation and Transition Services • Reporting and Analytics tools • Development of interoperability capabilities between systems • Integration of systems and processes • Standardisation of data flows and associated APIs Additionally, any other services which can be described as integration, deployment and interoperability services relevant to Workforce Technology systems may be considered here.

Lot value (estimated)

- £250,000,000 excluding VAT
- £300,000,000 including VAT

Framework lot values may be shared with other lots

Same for all lots

CPV classifications, contract dates and options are shown in the Scope section, because they are the same for all lots.
