Scope

Description

e-ITT for the provision of Lymington Health and Leisure Roof Refurbishment

Closing Date for Submission of Tenders

17.00, 27th February 2026

To be returned electronically via the Council's e-tendering solution "Pro-Contract" hosted on the South East Business Portal (SEBP)

The existing roof coverings at Lymington Health and Leisure are degrading due to age and lack of maintenance. This is allowing water to ingress into the building during adverse weather conditions.

Work is required to ensure the building is maintained to a suitable standard, to provide appropriate protection from the elements and to prolong the lifespan of the buildings.

New Forest District Council (NFDC) is planning to carry out refurbishment to roof areas at Lymington Health & Leisure Centre.

The works required are:

To provide any necessary access to the roof areas.

To provide fencing around scaffolding and all work areas.

All correspondence is via the Councils e-tendering portal ProContract hosted on the South East Business Portal (SEBP).
