## Description

Worcestershire County Council (WCC) owns and operates a fleet of circa 200+ vehicles that carry out its statutory duties in Gritting, Home to School Transport, Highways maintenance, Countryside Services and communities. The operation of this fleet covers the whole of Worcestershire and can be in operation 24hours a day seven days a week and requires a reactive maintenance provider to ensure that we are able to continue to provide our services to the residents of Worcestershire.

We are currently approaching the end of our current Fleet Maintenance contract and wish to explore local options within Worcestershire for the delivery of this service.

Description of the service:

The Contractor maintains, repairs and services the fleet to minimise disruption to the

WCC's operations and maximise vehicle availability.

The Contractor provides a routine maintenance and non-routine / defects repair service for vehicles and equipment in the WCC's fleet.

The Contractor provides a statutory testing service for vehicles and equipment in the WCC's fleet.

The Contractor collects and returns vehicles to their normal place of operation.

The Contractor provides a recovery service to promptly recover broken down vehicles for repair.

The fleet consists of a mixture of:

Gritting Vehicles

Minibuses both tail lift and non-tail lift

Car derived vans

4x4s and

Mobile Libraries
