Scope

Description

Location and Site:

The site is within an existing grass area at Beach Park, Oakley RG23 7HB. The proposed pump track is to be contained within the area adjacent to a skatepark and car park, where an existing BMX track (19 years old) is currently situated on a rectangular grass site lined by trees on all sides.

The area available for the pump track is approximately 2,750sqm.

Access to the track is via the adjacent car park, which leads onto Station Road and the main B3400 Andover Road.

Description of Work:

Provide a safe, friendly community pump track suitable for all abilities aged five and upwards. A preference for jumps has been expressed by a local BMX youth group.

Offer a safe space to challenge and develop skills for all ages and abilities.

A continuous circuit of well-spaced mounds (rollers) and banked turns (berms) for all

manner of wheeled sports equipment eg. Mountain bikes, BMX Bikes, Skateboards, Micro scooters and Rollerblades.

Open to alternative design proposals other than a traditional pump track.

All consultation, design and construction of the track to be within the identified £150,000.00 budget.
