VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

To utilise the final 12 month contracted extension period and increase the total value of the contract.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The current Framework has approval to utilise the final 12 month extension to take the expiry date to Apr 2027. The contract value will be increased for the remainder of the Framework Agreement to ensure there is enough value to enable the framework to run until the expiry date.

To terminate the framework early would cause significant inconvenience and disruption to the Authority

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £200,000,000

Total contract value after the modifications

Value excluding VAT: £300,000,000
