I.2) Information about joint procurement

The contract is awarded by a central purchasing body

I.3) Communication

Additional information can be obtained from the above-mentioned address

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Health

Section II: Object**II.1) Scope of the procurement****II.1.1) Title**

NP803/22 Recyclates and General Waste Management

II.1.2) Main CPV code

- 90524400 - Collection, transport and disposal of hospital waste

II.1.3) Type of contract

Services

II.1.4) Short description

Contractors will be required to collect, recycle, recover, reuse and dispose of waste from the participating authorities estate under the following waste streams:

1. Residual
2. DMR (Dry Mixed Recycling)
3. Confidential wastepaper
4. Cardboard
5. Glass
6. Construction Waste
7. Food Waste
8. Green Waste
9. Textiles
10. Metals
11. WEEE, florescent tubing, batteries, and lead batteries with each of these collected in separate containers.
12. Plastics and high-grade non-infectious plastics from health care i.e., all non DMR plastics collected in one process.
13. Non-clinical hazardous waste and chemical waste from laboratories could be

combined.

14. Bulky waste with including mattresses and furniture

Note Waste to be disposed of across the waste bundles may include items containing persistent organic pollutants (POPs) and these will need to be processed in line with relevant legislation.

Contractors will need to have SEPA (or equivalent) licencing for the sites/facilities to which waste material will be sent and meet minimum standards to be defined in the ITT. Contractors will also require the appropriate waste carrier licences/permits. Copies will be requested as part of the tender process. Contractors will be required to provide accurate waste data for all waste bundles and upload this data into our waste data portal currently Rio.

Please note lotting structure is indicative and subject to change for the ITT.

Expected ITT release date June 2023

II.1.5) Estimated total value

Value excluding VAT: £5,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Participating Authorities shall be able to combine waste bundles and service providing with other Healthboards

II.2) Description

II.2.1) Title

NHS Tayside

Lot No

15

II.2.2) Additional CPV code(s)

- 90524400 - Collection, transport and disposal of hospital waste
