Scope

Description

Background

Greatness Recreation Ground has become more and more popular as a local open space facility. It is developing from an original open space recreation ground into a more formal park. This is likely to only increase with a neighbouring development of approximately 900 dwellings to be started within the next five years.

It is also the home of the very successful Sevenoaks Town Football Club, which brings many visitors to the park. During 2026 the football club's new pavilion is due to be completed.

Bearing in mind all these changes Sevenoaks Town Council carried out a community survey relating to the future of the open space and its facilities.

From the responses it was clear that the current Outdoor Gym Equipment which has been in place for fifteen years needed to be reviewed and upgraded. Following consultation, it was also agreed to move its location to enable users to access without crossing the field. The new location will also be closer to the new pavilion which will have toilets and a café.

Key Points

1. The tender is for new outdoor gym equipment installed on safety surface.
2. Minimum of three pieces of equipment.
3. To create a wetpour base under each piece of equipment which complies with BSEN 1176 and has a minimum guarantee of 2 years but preferably longer. A maintenance plan is a desirable extra service we would like. The product should have been tested in accordance with BS EN 1177 and BS EN 7188.

4. Timetable

- May 2026 public consultation on preferred options

A1 size image of outdoor gym to be provided.

- July 2026 appointment of contractor
- October 2026 installation

5. Size of Outdoor Gym Area

Existing: Approx 11.5m length x 7.3m width

New: Approx 11.5m length x 7.3 width, with scope for reduction depending on scale of proposed equipment

6. Only tenderers with a current API (Association of Play Industries) membership will be considered for the project.

7. A site visit is advised in preparation of your tender to assess access etc.

Budget for the Project

Maximum budget for the play area project is £20,000.
