RM6242

II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

Crown Commercial Service (CCS) as the Authority intends to put in place a dynamic purchasing system for the provision of Construction Related Professional Services.

The DPS will offer an alternative route to market. It will focus on lower value contracts and will look to attract SME's and niche specialists to the category, therefore complementing the existing CPS framework and providing customers with a range of procurement solutions.

The DPS will offer a varied range of technical advice for estates, property and building works, including environmental and sustainability service provision. These will include services such as project management, civil and structural engineering, building services engineering and carbon reduction advice.

The proposed DPS filters, subject to engagement are to be Services, Disciplines, and Regions.

The DPS is to be utilised by Central Government Departments and all other UK Public Sector Bodies, including but not limited to, Local Authorities, Health, Police, Fire and Rescue, Education, Housing, Charities, Not for Profit, Nuclear and Devolved Administrations and International.

This DPS remains open for any supplier to request to participate throughout its 48-month duration. CCS reserves the right to reduce, extend or terminate the DPS period at any time during its lifetime in accordance with the terms set out in the DPS agreement.

II.1.5) Estimated total value

Value excluding VAT: £100,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Construction Professional Services Dynamic Purchasing System

The DPS will provide a wide range of industry expert construction professional services at discreet delivery stages (from inception to completion). The services are intended to support eligible public sector bodies in delivering a wide and varied range of major and minor building, and civil engineering projects at locations throughout the UK.

II.2.14) Additional information

The category structure of this DPS will be determined as a result of the engagement process, and will be confirmed within the contract notice, as will the estimated value of the agreement. However the nature and types of services that may be required are as per the identified CPV codes.

II.3) Estimated date of publication of contract notice

22 September 2021

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

RM6242 Construction Professional Services DPS

Crown Commercial Service (CCS) as the Authority intends to put in place a dynamic purchasing system for the provision of Construction Related Professional Services. It is intended the DPS will run alongside the Construction Professional Service Framework RM6165 and will be utilised by eligible Central Government Departments and all other UK Public Sector Bodies, including but not limited to, Local Authorities, Health, Police, Fire and Rescue, Education, Housing, Charities, Not for Profit, Nuclear and Devolved Administrations and International.

This Prior Information Notice is to signal an intention to commence market engagement with those within the Construction Professional Services market.

For further information on DPS procurement activity and future market engagement events please visit our CCS website on the Upcoming Deals page;

CCS is committed to developing routes to market that offer opportunities to organisations of all sizes and on the back of extensive supply chain engagement Crown Commercial Service Category Team has developed a Category Strategy that is designed to offer a wide portfolio of construction professional services at locations throughout the UK. It is envisaged that the DPS will support the construction services market regionally and allow organisations of all sizes to have access to those opportunities.

It is planned that the DPS will be live at the same time as the RM6165 framework. During market engagement Crown Commercial Service will invite suggestions and feedback on the proposed structure of the DPS from the market including industry experts, specialists, suppliers and potential customers.

CCS aims to start market engagement 6th May 2021 via a supplier survey, to gather feedback on the DPS basis of design.

To participate in market engagement please email CPS@crowncommercial.gov.uk with any suggestions and/or feedback in your email, along with the following details:

1. Organisation name
2. Contact name
3. Job title of contact (including responsibility within your organisation)
4. Contact phone number
5. Contact email
6. Organisation website link

Crown Commercial Service (CCS) will use an eSourcing system for this competition and reserves the right to use an electronic auction.

Please note that, to register, you must have a valid DUNS number (as provided by Dun and Bradstreet) for the organisation which you are registering, who will be entering into a contract if invited to do so.

If you have any questions or comments in respect of this project please email CPS@crowncommercial.gov.uk
