Description

Cambridgeshire County Council will be inviting proposals for developing, running and analysing a resident engagement Quality of Life survey with the public.

We would like to undertake this survey in 2026 and 2027 as part of our commitment to involve local people in shaping our services. The mainly quantitative survey will involve conducting a mixed methods survey work with residents across Cambridgeshire, comprising 5,500 interviews each year (1,100 in each of our five district areas).

We anticipate the 2026 survey fieldwork to take place across May-July 2026 with reporting ready by end of August to feed into our business planning processes.
