- 66122000 - Corporate finance and venture capital services
- 71540000 - Construction management services
- 71541000 - Construction project management services

II.2.3) Place of performance

NUTS codes

- UKL - Wales
- UKL15 - Central Valleys

Main site or place of performance

South Wales Region of Welsh Water

II.2.4) Description of the procurement

DCC (Welsh Water) is looking to procure, subject to Regulatory approval, a Competitively Appointed Provider (CAP) to provide the financing and construction of a Water Treatment Works capable of processing an average output 160ML/day & maximum output 225ML/day together with construction of a treated water storage tank (150ML) to supply safe drinking water to over 600,000 people across the DCC South East Wales Conjunctive Use System (SEWCUS) network as part of a revised network configuration which the CAP will be required to deliver as part of the project.

II.3) Estimated date of publication of contract notice

1 July 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

This notice is issued solely for the purpose of conducting pre-market engagement to gauge capability and interest in the market to assist in our decision making. This is not a call for competition. Parties will not be prejudiced by any response or failure to respond to this request and a response to this PIN does not guarantee any invitation to participate in this event or any future procurement.

The publication of this PIN by Welsh Water Services Ltd is a voluntary publication and does not represent an acknowledgement regarding the applicability of procurement or other rules governing the potential future process, nor a commitment by Welsh Water to initiate, run or complete a full procurement competition in relation to the contract as described, Welsh Water reserves the right not to run any competition for the services.

If you have experience in either the financing of construction schemes for DPC, PFI or PPP projects and/or experience of construction of water treatment works with associated storage tank and water mains laying capability in accordance with the UK water industry standards please could you provide as a minimum the following information and submit to amanda.edwards@dwrcymru.com by 24th May 2021.

— company name;

— contact details, including location telephone and e-mail address, main point of contact and position in Company.

In response to your enquiry DCC would like to you to participate in completion of a questionnaire relevant and invite you to attend a market engagement event that is currently being planned for 25th May 2021, which will be held virtually.
