## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

FWoW Connections Portal - Phase 1 additional costs

#### **II.1.2) Main CPV code**

- 72000000 - IT services: consulting, software development, Internet and support

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

In 2020 during the FWoW Connections project it was identified that an online self-serve portal would benefit both the connections team but also our connections customers by improving the time it takes to raise and complete a quotation

or job. It would also improve the overall customer experience because customers would have

access to real time information about their application status.

TPoint have built the majority of the functionality in the portal. This notice is for for some additional costs to implement Phase 1 of the portal for go live.

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £16,553

### **II.2) Description**

#### **II.2.3) Place of performance**

NUTS codes

- UKE42 - Leeds

#### **II.2.4) Description of the procurement**

In 2020 during the FWoW Connections project it was identified that an online self-serve portal would benefit both the connections team but also our connections customers by improving the time it takes to raise and complete a quotation

or job. It would also improve the overall customer experience because customers would have

access to real time information about their application status.

TPoint have built the majority of the functionality in the portal. This notice is for for some additional costs to implement Phase 1 of the portal for go live.

N.B. This a variation to the Customer Engagement Management System contract. The total overall increase since the original contract is 39%, however NGN was unable to publish a modification notice because the original contract notice could not be found, therefore a VEAT notice was published instead.

#### **II.2.5) Award criteria**

Price

#### **II.2.11) Information about options**

Options: No

---

## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

In 2020 during the FWoW Connections project it was identified that an online self-serve portal would benefit both the connections team but also our connections customers by improving the time it takes to raise and complete a quotation

or job. It would also improve the overall customer experience because customers would have access to real time information about their application status. TPoint have built the majority of the functionality in the portal. This notice is for some additional costs to implement Phase 1 of the portal for go live.

N.B. This a variation to the Customer Engagement Management System contract. The total overall increase since the original contract is 39%, however NGN was unable to publish a modification notice because the original contract notice cannot be found, therefore a VEAT notice was published instead.
