Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award.

The standstill period begins on the day after the publication of this notice. Representations by providers must be made to the relevant authority by 11 February 2026.

This contract has not yet formally been awarded; this notice serves as an intention to award a contract under the competitive process of the PSR. Written representations should be sent to the following email address:

hub.psrrepresentation@nhs.net

Conflicts of Interest:

All evaluators, decision makers, bidders and any other relevant persons were required to declare any conflicts. A Conflict register was maintained and appropriate mitigations were agreed for any declarations made.

Relative Importance of the Key Criteria:

Further information is provided in the associated procurement documents on the Atamis portal: <https://atamis-1928.my.site.com/s>Welcome>

Rationale for the Relative Importance of the Key Criteria:

A cross-functional team were involved in delivering this project. The Authority set out to receive responses from suitably qualified and experienced healthcare providers with the necessary capacity and capability (or a demonstrable ability to provide the necessary capacity and capability) to provide the range of services as set out in the Specification in a safe and effective manner.

The Selection Questionnaire (SQ) was based on the standard Cabinet Office document, with the ITT Questionnaires being comprised of a detailed scoring methodology, the weighting criteria was published within the ITT documentation in accordance with procurement regulations.

Further information is provided in the associated procurement documents on the Atamis

portal: <https://atamis-1928.my.site.com/s>Welcome>

Rationale for Provider Selection:

The Exclusions and Basic Selection Criteria responses were evaluated first, any bidder who failed the SQ would not progress further in the procurement process and would be disqualified.

Based on the outcome of the evaluation, and in line with the criteria stipulated by the Authority within the documentation, it was recommended that the contract be awarded to the highest-scoring Bidder in each Lot.

Decision Makers:

The award report was endorsed by NHS North Central London Procurement Group and approved by Primary Care Committee.
