- 71630000 - Technical inspection and testing services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Associated British Ports (ABP) intends to put in place a contract for the Inspection of Plant and Equipment for the entire port estate of twenty-one Ports. In order to maintain compliance with statutory and in-house mandated inspection requirements, ABP requires a competent third-party inspection company to provide thorough examinations and inspections on a large variety of mechanical and electrical assets, and to report on their findings in a timely manner. The requirement for thorough examination/inspections of ABPs assets broadly falls under the below-noted regulatory requirements: • Lifting Operations and Lifting Equipment Regulations (LOLER) • Provision and Use of Work Equipment Regulations (PUWER) • Electricity at Work Act (EaWA) • Pressure Safety Systems Regulations (PSSR) • Control of Substances Hazardous to Health (COSHH) The Inspection provider selected to undertake inspections per the requirements of the above-noted statutes shall be able to demonstrate sufficient knowledge and experience in undertaking such works in a UK port environment, and hold an appropriate accreditation, to demonstrate both competence in the equipment specific disciplines and impartiality.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No
