Team Leidos wishes to stimulate interest, information and views across the market for the fulfilment of this requirement via this PIN.

This prior information notice is not a means to submit a formal expression of interest in respect of any potential tender. Any resultant requirement will be subject to the EU Public Procurement Regulations and respective advertising action.

Please note all information provided to organisations or individuals that respond to this notice should be treated as Confidential, and not shared further without express written permission from Leidos Supply Ltd.

The General Supplies team, which forms part of Leidos Supply Ltd. is considering the potential requirement for the supply of metals on behalf of the UK MOD which will cover (but will not be limited to) the supply of ferrous and non-ferrous metals, predominantly steel and alloy steels; in various formats including sheet metals, wire, bars and tubing.

The framework length should not exceed 4 years and is anticipated to commence early 2023.

The value of this framework is estimated to be between £2,480,000 - £6,000,000.

Please note: this PIN is for information only (market research) and is not a pre-qualification exercise.

In addition, please note that as a framework agreement there is no guarantee of business.

If interested, Suppliers may respond to this PIN by 12:00pm, 15/04/22 in order to receive a Request For Information questionnaire, and a DRAFT version of the Schedule of Requirements (SOR).

Section VI. Complementary information

VI.3) Additional information

In April 2015 the MOD signed a thirteen year contract with Leidos Europe Ltd to provide the procurement and inventory management of commodity items (as well as the storage and distribution services) historically provided in-house by the Logistic Commodities and Services Operating Centre. Leidos, working with the MOD, will transform the way these services are delivered to ensure requirements continue to be met whilst providing best value for money for the department. The organisation delivering these services is known as Team Leidos. Team Leidos would like to make interested suppliers aware that it intends to invite tenders for its supply and delivery of Metals.
