Competitive flexible procedure description

Project SEMIFUSED is currently being procured through the Competitive Flexible Procedure in accordance with the Procurement Act 2023 ('The Act').

The steps to arrive at a contract award decision are as follows:

- Project Specific Questionnaire (PSQ) – the top 6 compliant suppliers with the highest technical scores shall be invited to Invitation to Tender (ITT). Link to PSQ: <https://contracts.mod.uk/go/96591920019C0F74C083>
- ITT - the estimated ITT release date will be 1 March 2026. The estimated ITT expiry date will be 1 May 2026. Full information on the evaluation criteria, will be provided in the ITT guidance.

- Contract Award – The tenderer offering the best Value for Money (VFM), using the methodology to be laid out in the ITT guidance, will be awarded the contract.

The Authority reserves the right under the Procurement Act 2023 to:

- To cancel the procurement procedure at any stage.
- Not to award a contract as a result of the procurement process.
- Make any modifications during a competitive flexible procedure, provided that the deadline to participate or submit a first or only tender has not passed (section 31(1)(b)).
- Make non substantial modifications, during a competitive flexible procedure, up to the deadline of the final tendering stage (section 31(2)(a)).
- Refine or supplement the award criteria during a competitive flexible procedure (section 24(1)).

If there are any changes to the procedure, this will be set out in the ITT supporting documentation.
