CPV classifications

- 34922100 - Road markings
- 45233221 - Road-surface painting work

Same for all lots

Contract dates are shown in the Scope section, because they are the same for all lots.

Lot 5. Street Lighting

Description

Column and lantern replacement, LED upgrades, cabling and feeder pillars.

Typical project values:

- o One-off column replacement (side street incl. TM): ~£1.2k
- o One-off column replacement (main road incl. TM): ~£2.0k
- o Small replacement schemes (10 columns): ~£12k-£20k
- o Large replacement schemes (?130 columns): ~£260k

Lot value (estimated)

- £24,000,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 34928500 - Street-lighting equipment
- 34928510 - Street-lighting columns
- 34928530 - Street lamps
- 45316000 - Installation work of illumination and signalling systems

Same for all lots

Contract dates are shown in the Scope section, because they are the same for all lots.

Lot 6. Major Civils

Description

Junction improvements, highway realignment, active travel corridors, CRSTS-type schemes.

Typical project values: £250k-£10m+.

Lot value (estimated)

- £60,000,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork

Same for all lots

Contract dates are shown in the Scope section, because they are the same for all lots.

Lot 7. CCTV & Jetting Inspection

Description

Drainage CCTV surveys, jetting, cleansing and condition assessments.

Typical project values: £2k-£25k.

Lot value (estimated)

- £1,100,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 90470000 - Sewer cleaning services
- 90640000 - Gully cleaning and emptying services
- 90733800 - Groundwater pollution drainage services

Same for all lots

Contract dates are shown in the Scope section, because they are the same for all lots.

Lot 8.1. Highway Structures (?£150k)

Description

Minor structural repairs, parapet works, bearings and routine maintenance.

Typical project values: £10k-£150k.

Lot value (estimated)

- £2,400,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 45220000 - Engineering works and construction works
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork

Same for all lots

Contract dates are shown in the Scope section, because they are the same for all lots.

Lot 8.2. Highway Structures £150k-£750k

Description

Deck repairs, waterproofing systems, joint replacement and structural repairs.

Typical project values: £150k-£750k.

Lot value (estimated)

- £9,000,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 45220000 - Engineering works and construction works
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork

Same for all lots

Contract dates are shown in the Scope section, because they are the same for all lots.

Lot 8.3. Highway Structures over £750k

Description

Typical project values: £750k-£5m+.

Major refurbishments, strengthening works and bridge replacement schemes.

Lot value (estimated)

- £18,000,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 45220000 - Engineering works and construction works

- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork

Same for all lots

Contract dates are shown in the Scope section, because they are the same for all lots.

Lot 11. Coring

Description

Pavement coring, materials testing and site investigations.

Typical project values: £1k-£5k.

Lot value (estimated)

- £60,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 45120000 - Test drilling and boring work

Same for all lots

Contract dates are shown in the Scope section, because they are the same for all lots.

Framework

Maximum number of suppliers

Unlimited

Maximum percentage fee charged to suppliers

0%

Framework operation description

The Authority intends to appoint up to three Suppliers per Lot, and appointed suppliers will be eligible to receive call off and/or direct award opportunities during the term of the Framework. Details of how work will be awarded under the Framework, including the call off process and allocation mechanisms, will be fully set out in Stage 2 as part of the tender documentation.

Award method when using the framework

Either with or without competition

Contracting authorities that may use the framework

Establishing party only

Submission

Enquiry deadline

21 February 2026, 11:59pm

Tender submission deadline

27 February 2026, 12:00pm

Submission address and any special instructions

Tenders may be submitted electronically

Yes

Languages that may be used for submission

English

Award decision date (estimated)

2 April 2026

Award criteria

Name	Type
Legal, financial and technical ability	Quality

Weighting description

Stage 1 comprises the Conditions of Participation. Suppliers will be assessed on their legal, financial and technical ability to deliver the requirements. This assessment will be carried out on a pass/fail and scored basis in accordance with the Procurement Act 2023. Suppliers who meet the Conditions of Participation will be shortlisted and invited to participate in Stage 2 (Invitation to Tender).
