 2. RFI Response 16th February 2026
5. Should you have any questions or queries relating to this RFI, please use the Atamis portal's messaging centre to direct your questions to us for a response.
6. If a response is not received by the RFI response deadline this will have no impact on your ability to tender for the opportunity in the future. UKHSA will not enter into contracts on the basis of replies to this RFI.

Description of Scope of Requirements:

The UK Health Security Agency (UKHSA) is exploring opportunities to supplement its existing Containment Level 3 (CL3) laboratory capacity through collaboration with operational CL3 facilities across the UK.

This Request for Information (RFI) seeks to understand the capabilities, readiness, and

interest of organisations that currently operate CL3 laboratories and may be able to support UKHSA's public health mission during surge periods or emergencies.

Objectives - Identify operational CL3 laboratories with spare capacity or surge readiness. -Assess technical, digital, and governance capabilities for collaboration. - Explore commercial models for potential engagement with UKHSA.

This RFI is intended for organisations that currently operate CL3 laboratories in the UK. Responses should focus on existing facilities and capabilities that could be mobilised to support UKHSA's laboratory operations, particularly during public health emergencies or periods of high demand.

A copy of the RFI can be downloaded from:
