Published 11 March 2025, 11:32am

Scope

Reference

DAC13306

Description

Maintenance and support of DLS' Legis database, to include a number of upgrades/modifications to the system. This database was first implemented in 1995 using a programming language that is no longer in common use.

The software underlying the Legis Database/system was written in 1995 using a programming language which is no longer in common use. The supplier is the vendor of the original Legis system and it is understood that only this supplier has the knowledge of this system and the skills required to maintain and support this 30 year old system and ensure it remains operational at all times.

The annual cost of this DAC is £22,463.19
