VI.3) Additional information

Qualifications

SPD (Scotland) Question 1.74 Part 4C - Qualifications

All staff must be SSSC qualified and all staff used to deliver this contract must be PVG registered.

Health And Safety Procedures

SPD (Scotland) Question 1.75 Part 4D - Quality Assurance Schemes

A documented health and safety policy or where applicable (less than 5 employees, self-employed etc.) provide a statement of Health and Safety Intent and similarly, where recorded, provide examples of risk assessments likely to be associated with carrying out this type of work (3 minimum).

These should include safety of staff and others, members of the public and include their current Covid 19 Risk Controls.

Minimum level(s) of standards required:

Organisations with less than five employees are not required by law to have a documented policy statement. The need to reduce documentary requirements on micro businesses in particular will be taken into account by buyers and the evaluation panel.

Method statements and risk assessments for risks likely to be associated with carrying out this type of work including Covid 19 Risk Controls.

It is expected that the contractor will take a positive approach to Fair Work, including committing to progress towards implementing the five Fair Work First criteria of providing appropriate channels for effective voice; investment in workforce development; no inappropriate use of zero hours contracts; action to tackle the gender pay gap and create a more diverse and inclusive workplace; and providing fair pay for workers.

The Interview/Presentation is part of the quality evaluation. The indicative dates for the interviews/presentations are 16th June 2021 however these are subject to change. The presentation should be 30 minutes in duration and the total interview time will be 90 minutes.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 17896. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

SBC Adding Value to Communities through Procurement Policy

In March 2014 Scottish Borders Council approved an 'Adding Value to Communities through Procurement' Policy which introduced a Council wide approach intended to secure the maximum social, economic and environmental benefits from council procurement exercises within the current legal framework.

As part of this policy Scottish Borders Council is committed to securing Community Benefit from third party contracts and will require the successful bidder to work with them, as part of the delivery of the contract in transforming the community in a sustainable manner.

The types of community benefits tenderers might consider relevant to this contract could include;

- Providing training or work experience opportunities for young or unemployed people.
- Awareness raising activities in secondary schools and colleges.
- Engaging with community groups to raise awareness or provide support for events or projects
