#### **II.1.1) Title**

Holland Park - Toilet and Changing Block Refurbishment

#### **II.1.2) Main CPV code**

- 45000000 - Construction work

#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

The Royal Borough of Kensington and Chelsea are seeking proposals for the reconfiguration and refurbishment of the public toilets and changing room facilities at Holland Park, including the creation of a new changing places facility.

The current toilets and changing rooms are in a poor condition and are in need of replacement and refurbishment. The reconfiguration of the facilities will provide more public toilets to avoid queuing at busy times, and address the issue of poor drainage which causes closure of the facilities on a regular basis. The new configuration will also allow for a changing places facility providing inclusive access for our facilities. It will also address energy saving measures reducing the buildings carbon footprint contribution towards the council carbon neutral objectives.

All of the tender documents can be found in the ITT; they include specifications, survey drawings (electrical, drainage, structural and architectural), and details around H&S certification requirements.

This tender will be run through the capitalEsourcing portal. Please log on and express an interest in this project to see further details.
