Claire Lorimer, Procurement Manager

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: 2032

VI.2) Information about electronic workflows

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at

https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=732434.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at

https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

A sub-contract clause has been included in this contract. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

The Contractor will work with SRUC to deliver community benefits or social value where they are identifiable throughout the term of the Contract. The SRUC is interested in measures that the Contractor propose to take to encourage:

* The targeted recruitment and training of New Entrants, the long-term unemployed and those further from the job market (by way of apprenticeships, work placements, university and college student internships, work experience etc);

* Educational benefits to communities, including working closely with educational establishments and community groups to maximise educational opportunities that arise through performance of the Contract, increasing awareness, skills and digital accessibility;

* Awareness of opportunities, either in a prime or sub-contracting role, for small to medium (SME) sized businesses and social enterprises. This should include opportunities for organisations with expertise in:

* Provision of the Requirement

* Service Delivery

*End of life management, promoting re-use, re-manufacture and recycling.

SRUC will work with The Contractor to voluntarily go beyond contractual requirements and the minimum legal requirements in pursuit of environmental and social objectives in their daily business operations.

The Contractor should have policies or plans in place to cover Community Benefits, social and equality targets / requirements.

A summary of example community benefits has been provided:

Where spend through the Contract is over 500000 GBP per annum

* Opportunities to employ local staff;

* Training, work experience or apprenticeships for the local community / students;

* Prime or sub-contracting role for small to medium (SME) sized businesses and social enterprises;

* Engagement with supported Businesses or local Charity.
