#### **II.1.4) Short description**

Hampshire and Isle of Wight Fire Rescue Service (the Authority) are seeking market feedback for the provision of scrap vehicles that have been de-polluted and can be provided to the Authority in order to train Firefighters in vital areas, such as road traffic accidents.

The feedback is expected to ensure the Authority have a specification that works for suppliers and the Authority, and build a robust framework.

The Authority are seeking to understand current issues in the market place, potential issues with the specification or pricing / rates payable.

It is expected that the tender for the framework, which is to cover Hampshire and the Isle of Wight, will be published by May.

Further details can be found on the link below:

<https://in-tendhost.co.uk/hampshire>.

Once on the website to go to 'Tenders' then 'Current' & search for this opportunity (using title or reference) & follow the on screen instructions.

The specification and questionnaire can be found on our intend site. Any responses can be
