II.1.4) Short description

NHS England and NHS Improvement Health & Justice (NHSEI H&J) South East (the Commissioner) sought to re-commission Lived Experience Services within the South East Secure Adult estate and Secure CYP estate. The procurement was split into 5 lots:

Lot 1: Kent and Medway prisons (HMP Swaleside, HMP Elmley, HMP Standford Hill, HMP Maidstone, HMP/YOI Rochester & HMP/YOI East Sutton Park)

Lot 2: Surrey prisons (HMP Send, HMP/YOI Downview, HMP Coldingley, HMP/YOI High Down & HMP/YOI Bronzefield)

Lot 3: Thames Valley prisons (HMP Grendon, HMP Springhill, HMP Huntercombe & HMP Bullingdon)

Lot 4: Sussex, Hampshire and Isle of Wight (IOW) prisons (HMP Ford, HMP Lewes, Gatwick IRC (Brook House & Tinsley House), HMP/YOI Winchester & HMP Isle of Wight)

Lot 5 CYP Secure estate (HMYOI Cookham Wood, HMYOI Aylesbury, Lansdowne Secure Children's Home & Swanwick Lodge Secure Children's Home).

The contribution of service users who have first-hand experience of using the healthcare services within the secure settings is essential to the delivery of effective services and informing the commissioning process. NHSEI H&J is committed to listening and acting upon the voice of the service user in the design, delivery and ongoing performance of healthcare services.

The service will be expected to consult/engage with service users on the full range of healthcare services delivered within the establishments via delivery of both on-site and remote service user engagement/participation activities. Providers interested in the CYP Lot are particularly encouraged to develop and utilise participatory activities that are innovative and involve the use of creative activities to elicit service user experience and insight.

The service will also be expected to support Commissioners and facilitate service user involvement in procurement processes for the provision of healthcare services within the establishments (as required over the life of the contract). At this time, it is anticipated that this support will be required for the recommissioning of healthcare services within the Surrey prisons and HMP Isle of Wight. If further procurement support requirements are identified, the contract will be varied to include funding for this support.

The service must hold independence from other (e.g. healthcare) service provision in the

specified secure settings in order to have the ability to act as an independent and critical friend.

The contracts are due to commence on 1st April 2022. The contract duration will be 3 years.

The procurement was carried out by NHS South, Central and West Commissioning Support Unit (SCW) on behalf of the Commissioners.
