II.1.4) Short description

This procurement is for a public Cloud Hosted, Commercial off the Shelf (COTS)

Laboratory Information Management System (LIMS) for DAERA. This project will replace aging and disparate laboratory IT systems with a single, modern, joined up LIMS in 10 key laboratory areas. The solution will replace existing LIMS in 8 laboratory areas and provide new LIMS in a further 2 laboratory areas. The implementation period is to last no longer than 4 years. Implementation will involve a phased rollout of approximately 2 lab areas every 6 months. Prioritisation of rollout will be agreed with the Authority based on impact several factors, including business as usual and availability of laboratory areas. Implementation will include assisting in business transformation and design, training and the migration of minimum required LIMS data in an organised and secure manner for successful 'day 1' business operation. This includes ensuring the safety, accuracy (e.g. avoiding rounding) and integrity of the migrated data, formulating a migration plan and carrying out the migration in collaboration with the Authority. The Supplier may be required to assist the Authority to cleanse the data as part of the migration exercise. A Laboratory Science Data Enterprise solution will be developed in-house and is not covered by the scope of this project.

Section VI. Complementary information

VI.3) Additional information

The figure indicated in V.2.4) of GBP 29,000,000.00 is a maximum figure that reflects the potential scale of the contract and takes into account potential optional extension periods and the uptake of potential optional services as detailed in the tender documents. This figure has increased from the contract notice (2021/S 000-026287) which provided a figure of £24,000,000. This is due to the recent identification of additional labs within the Contracting Authority and named participants that may wish to onboard during the contract term. The increased value also takes into consideration additional testing that has recently been identified which will impact on licensing requirements.

VI.4) Procedures for review

VI.4.1) Review body

The UK does not have any special review body with responsibility for appeal/mediation procedures in public procurement competitions. Instead; any challenges are dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the PCR 2015.
