### **III.1) Conditions for participation**

#### **III.1.2) Economic and financial standing**

List and brief description of selection criteria

Candidates shall be required to satisfy minimum standards and to provide proof of economic and financial standing.

(a) in response to SPD Question Ref 4B.4 provide a value and self assess the risk rating for each of the nine financial ratios. Candidates do not need to provide a value for Test 10 as the Council will independently carry out a credit check for Test 10. Financial tests will be applied on the most recent audited accounts; and

(b) in response to SPD Question Ref 4B5.1 and 4B5.2 confirm they already have or can commit to obtain, prior to commencement of the contract the required levels of insurance; and

(c) in response to SPD Question Ref 4B.6 explicitly state if the Candidate is reliant upon another organisation to satisfy the Financial Tests and provide a commitment to obtain a guarantee.

Where the Prime Contractor (or Lead Organisation, Other Consortium Member or Key Sub-Contractor) is seeking to rely on the economic and financial standing of a parent company (or other organisation) to satisfy the Financial Tests then the Candidate should satisfy points i to iii:

(i) state this explicitly;

(ii) provide a letter of commitment from the parent company (or other organisation) to provide a guarantee; and

(iii) provide the financial information related to Financial Tests 1-9 in respect of the guarantor by completing Q4B.4 of the SPD.

The Council will test the economic and financial standing of these organisations on an individual basis.

Minimum level(s) of standards possibly required

Candidates are required to satisfy minimum standards of economic and financial standing. These are described below:

#### Insurances

In response to SPD Question Ref 4B.5 Candidates must confirm they already have or can commit to obtain prior to commencement of the contract to obtaining the following insurances and associated financial levels:

As outlined in the ITC (Appendix 2), if this score is 4 or where a D&B report is not available, it will be assessed as High Risk, otherwise it will be assessed as Low Risk.

The information submitted in response to Question 4B.4 will be assessed on an Overall Pass/Overall Fail basis in accordance with the detailed methodology set out in the ITC (Appendix 2).

An assessment of Overall Fail for Question 4B.4 will result in the Candidate being excluded from the Procurement.

Where the application of a single financial test generates a ratio which falls into the corresponding Low Risk band, this is assessed as a Pass for the single financial test. Where the application of a single financial test generates a ratio which falls into the corresponding Medium Risk band or High Risk band, the Council will assess the mitigating evidence that must be provided as part of the SPD submission.

Where the SPD submission has been submitted by a Consortium, the evaluation will include the Lead Organisation and Key Sub-Contractors and/or other Consortium members involved in delivering Housing maintenance and Corporate repairs. If a Key Subcontractor/Consortium Member is being utilised to deliver Housing maintenance and Corporate repairs, they will be evaluated in relation to the appropriate financial thresholds applicable to their role.
