Estimated timing for further notices to be published: January 2025

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

The Contracting Authority anticipates that up to 16 Appliances may be ordered during the first year of the Framework, however this is subject to both availability of funding and supply lead times. As part of the Tender, the Tenderer must advise of the lead time to delivery of this quantity of Appliances assuming that an order could be placed in early July 2021. For the avoidance of doubt, in submitting a Tender, the Tenderer understands and accepts that the Contracting Authority does not bind itself to ordering any particular quantity of Appliances, shall not be liable to the Tenderer in respect of any commitments it may make until or unless a specific order for a specific number of Appliances is placed and then only in respect of that number, and that the potential value of the framework is given only as an indication of what may be required should full funding be available for this requirement over the period of the Framework

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at

https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=636151.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at

https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

A sub-contract clause has been included in this contract. For more information see:
