II.1) Scope of the procurement

II.1.1) Title

Health Systems Support Framework: Supported Self-Management

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

The NHS is moving towards a more integrated model of care delivery through Integrated Care Systems (ICS). The Health Systems Support Framework (HSSF) was established to provide a mechanism for ICS and other health and social care organisations to access the support and services they need to transform how they deliver care. NHS England and Improvement have determined a requirement to expand the scope of the HSSF in order to provide access to Supported Self-Management (SSM) measurements, tools and support to establish or assess SSM interventions. Further details, including a description of the services, is provided in the ITT documents available at the address above.

II.1.5) Estimated total value

Value excluding VAT: £3,000,000

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.3) Additional information

Further Information on the Health Systems Support Framework¹⁾ NHS England as a contracting authority established the Health Systems Support Framework during 2018.²⁾ The current framework agreement is for the service lines set out within this contract notice, as further described in the ITT documents and will form part of the HSSF;³⁾ NHS England intends to establish this framework agreement for use by or on behalf of itself and other UK public sector bodies in England, Scotland, Wales and Northern Ireland (including any future successor organisation(s) to the functions exercised by any such organisation(s)). It is also anticipated that non-contracting authorities will be permitted to access the framework agreement;⁴⁾ The framework agreement may be accessed by the public sector bodies listed within the ITT documents, to the extent that they are engaged in the management and/or support of the health, care and/or wellbeing of populations within the UK or for which they are responsible;⁵⁾ Reference to health and/or social care services within this notice and the ITT documentation includes but is not limited to: primary care services, secondary care services, mental health services, community care services, tertiary care services, social care services and public health services;⁶⁾ Any interested suppliers will be required to register via our online portal at: <http://health.atamis.co.uk> (Contract Reference – C30767 – Supported Self-Management – HSSF) where the ITT documents will be accessible. This portal will be the channel used for issue of further information relating to this ITT;⁷⁾ It is expected that services within the scope of the HSSF will be refreshed regularly. Each refresh will be the subject of a new contract notice published in Find a tender allowing new organisations to bid for a place on the framework from the refresh date.⁸⁾ This framework agreement will be awarded for 4 years, however, it may be refreshed prior to the end date.

VI.4) Procedures for review

VI.4.1) Review body

The NHS Commissioning Board (operating under the name of NHS England)

2nd Floor, Rutland House

Runcorn

WA7 2ES

Country

United Kingdom

Internet address

<https://www.england.nhs.uk/>

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The contracting authority will incorporate a minimum ten-day standstill period at the point information on the decision to award the contract is communicated to bidders. Any bidder wishing to appeal the decision to award the contract, or after the award of the contract appeal the contract, shall have the rights set out in Part 3 of the Public Contracts Regulations 2015.
