Notice identifier: 2025/S 000-008796

Procurement identifier (OCID): ocds-h6vhtk-04ebb3

Published 11 March 2025, 3:51pm

Scope

Description

The Bedminster Green River Restoration is a scheme aiming to restore a total of 415m of the River Malago in Bedminster, delivering environmental and public realm enhancements as part of the wider Bedminster Green Framework for regeneration.

The Bedminster Green Regeneration Framework was developed in 2019 to guide the regeneration of the Bedminster Green area. It sets out principles to create a high quality, well connected neighbourhood by transforming a number of underused brownfield sites. The area is made up of five sites (plots) that are being redeveloped to provide housing and mixed-use schemes. The river restoration plans have been developed to align with 3 of the 5 main development plots; Plot 1, Plot 3 and Plot 5.

Previous market engagement has been held regarding Plot 3 works however we are now looking to combine procurements for both Plots 3 and 5 and wish to update the market on our plans.

Contract dates (estimated)

- 6 October 2025 to 18 December 2026
- 1 year, 2 months, 13 days

Engagement

Engagement deadline

26 March 2025

Engagement process description

We wish to invite contractors to a virtual supplier's information event regarding Plot 3 & 5 of the Bedminster Green River Restoration project on Wednesday 26th March from 10:00 to 11:30am. We recommend this event is attended by any prospective bidder.

The purpose of the event is to engage with the market in advance of issuing a formal ITT by providing early information and background to our requirements and gain an understanding of the market capacity / capability to deliver the scope. We intend to discuss the scope the project as well as providing an overview of the procurement and contracting approaches.

Please register to attend this information session by emailing: penny.sharp@bristol.gov.uk

The event will take place via MS Teams with a link being sent further registration.
