Such schemes by their nature are varied in type, volume, and timing. The Council is seeking 3 suppliers with the ability to direct award contracts worth under £125,000 and award through mini competition for contracts valued in excess of that sum. Lot 1 requirements are for the provision of activities under title of 'Civils Works and Improvements' within the administrative area of Brighton and Hove; and Lewes District; and Eastbourne Borough Councils – the bulk of this work will be within Brighton and Hove and generally on the public highway. The works will be of varying size and nature; no guarantee can be given of any works being issued. The services will provide the civil engineering element of highway and coastal maintenance works, environmental enhancement projects, traffic management works and traffic signal alterations within a constrained city centre environment. This Lot of the Framework Contract will additionally provide for the resurfacing and reconstruction elements of the structural highway maintenance programme. The Supplier may be required to occasionally work off the public highway in the city's open spaces.
