Acute high dependency and PICU, In area acute beds, and specialist placement beds

Reference number

NSFT/BEDS2024

#### II.1.2) Main CPV code

• 85100000 - Health services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

The Norfolk and Suffolk NHS Foundation Trust (NSFT) wishes to create a bespoke, specialist framework for Acute high dependency and PICU, In area acute beds, and specialist placement beds.

The framework seeks suppliers that are able to provide additional capacity with the intent to appoint one, or multiple, qualified and capable suppliers to a new framework agreement. The aims of these services is to provide high quality, holistic care for service users in the most acute and vulnerable state of their illness. This will be provided in collaboration with service users, carers, and statutory and non-statutory organisations to ensure that any admissions and inpatient episodes are timely and appropriate. These services are to made available 24 hours a day, 7 days a week, all year round.

As outlined in the original procurement process, the Trust wish to open the framework for a secondary round of bidding - to enable access to more suitably qualified and capable providers.

#### II.1.5) Estimated total value

Value excluding VAT: £20,000,000

#### II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 3

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

One, multiple, or all lots

**NUTS** codes

• UKH1 - East Anglia

Main site or place of performance

East Anglia

#### II.2.4) Description of the procurement

The aims of these services is to provide high quality, holistic care for service users when it has been identified that they have needs above and beyond commissioned services within NSFT. This will be provided in collaboration with service users, carers, statutory and non-statutory organisations, in order to ensure that any specialist placements are timely and appropriate. The key aims are to:

- Provide a variety of psychosocial, psychiatric and therapeutic activities, in line with NICE Guidelines relevant to the presenting need of the service user.
- Provide assessments, treatment and multidisciplinary care, in line with the identified needs.
- Ensure that service users are within the placement for the minimum time necessary, supporting the service user to maintain their links in the community where possible and practical

- Where relevant maintain or create links with primary care to ensure that the service user's GP is updated on patient care at the time of assessment, admission, care plan review and any changes to care provided, where there is a significant change in a service user's clinical presentation and/or risk and receives a discharge summary following discharge in line with NSFT's discharge policy.
- The Provider will ensure that there is a collaborative approach to care planning with NSFT and other care providers including the service users support network as they identify.
- The Provider will operate within the legal frameworks.

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
