### **Scope**

### **Reference**

ITT1837

### **Description**

Provision of on-the-day discharge support for patients leaving hospital, coordinated through a digital booking and task allocation platform. The service must enable rapid deployment of personnel (staff and/or volunteers) to deliver practical discharge support in community and home settings.

- Expedite safe and timely patient discharge.
- Provide flexible, same-day support using a digital management platform.
- Ensure consistent nationwide coverage with local delivery.
- Guarantee rapid completion of assigned tasks.

## Digital Booking & Task Management Platform

- Platform available to WM5G discharge co-ordinators for real-time booking.
- Ability to upload, assign, and track multiple tasks per patient.
- Visibility of task status, personnel availability, and completion updates.
- Secure data handling in line with NHS IG requirements.

## Workforce Model

- Access to a range of personnel, including staff and/or volunteers.
- Capability to allocate tasks to appropriate individuals based on geography and skill set alignment.
- Ability to scale resources according to demand.
- Mandatory: Tasks must be allocated within 2 hours from time of upload and completed within 4 hours.
- Supplier must demonstrate systems and capacity to meet this SLA.

## Geographic Coverage

- Mandatory: Nationwide coverage.
- Delivery must take place at a local level, with appropriate deployment networks

## Core Task Types

Suppliers must include, as a minimum:

- Home setup for discharge (e.g., basic safety/preparation).
- Patient transport
- Equipment setup or placement in the home.
- Shopping or collection of essential items.
- General practical discharge support (e.g., welfare check, light duties).

- Weekly wellbeing checks

#### Service Standards

- 2-hour guarantee assignment of task, 4 hour completion.
  - Real-time task status updates via the platform.
  - Robust escalation and contingency arrangements.
  - Staff/volunteers trained to relevant standards.
  - Safeguarding, health and safety, and DBS compliance.
  - Staff insured to undertake relevant tasks
