Section VI. Complementary information

VI.3) Additional information

North Yorkshire Council (the Authority) is exploring the potential of a 4^{*} (or above) hotel on the site of the former indoor swimming pool at Ryndle Crescent, Scarborough.

It is anticipated that this will be achieved by the procurement of a development partner who will partner with the Authority (and potentially a hotel operator) to deliver the hotel accommodation at the site.

It is anticipated that the Authority's input to the development agreement will be limited to the value of its land for the site.

This Request for Information (RFI) document summarises the Authority's current thinking and points to areas in which input from the developer community is required.
