- 79400000 - Business and management consultancy and related services

II.2.3) Place of performance

NUTS codes

- UKM75 - Edinburgh, City of

II.2.4) Description of the procurement

A tailored size and shape model can help to make informed strategic choices and better understand current position and provide insight to the implications of future decisions. A model based on historical data on key attributes of a university using a set of assumptions and calculations to project alternative future states. The model will also make available strategic levers to generate different size and shape options.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

Heriot-Watt University has previously engaged with Cubane Consulting Group to conduct a benchmarking exercise which involved the gathering of detailed data on the allocation of employee and supplier capacity for over 150 key activities using Cubane tools across fourteen functional areas as part of the Uniforum program. The data gathered by Cubane Consulting is data is a key enabler in supporting the strategic initiative for developing a size and shape model for Heriot-Watt University. Nous Group recently acquired Cubane Consulting and therefore has access to the data and relevant data gathering tools to support this process. This current level of data and relevant tools are not held by any other economic operator therefore competition is absent.
