I.5) Main activity

Environment

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Purchase of PM2.5 instruments suitable primarily for Near Source Location

Reference number

P-31848

II.1.2) Main CPV code

- 90731100 - Air quality management

II.1.3) Type of contract

Services

II.1.4) Short description

This notice is for information only. There is no requirement to register interest at this stage, further details will be provided in due course.

The Environment Agency intends to let a call off contract in Q2 2024 to provide new Particulate Matter expansion analysers for PM2.5 primarily at Near Source sites. It is currently anticipated that installation, consumables and parts will be included.

This planned procurement is the 2nd phase of the expansion to the network based on the new Environmental Targets (Fine Particulate Matter) (England) Regulations 2023.

The first procurement is detailed here -Automatic Particulate Matter Analyser Contract for Ambient Air;

<https://www.find-tender.service.gov.uk/Notice/015570-2023?origin=SearchResults&p=1>

II.1.5) Estimated total value

Value excluding VAT: £2,800,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 90731100 - Air quality management
- 90731400 - Air pollution monitoring or measurement services
- 90731100 - Air quality management

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

We intend to purchase automatic hourly PM2.5 analysers that are suitable for Near Source and/or industrial environments, to replace instruments as required on the existing network in all site environments. All analysers would be expected to operate primarily on the UK's Automatic Urban and Rural Network.

II.2.14) Additional information

This notice is for information only. There is no requirement to register interest at this stage, further details will be provided in due course.

II.3) Estimated date of publication of contract notice

19 March 2024
