## **II.2.4) Description of the procurement**

Birmingham Women's and Children's NHS Foundation Trust is seeking technical support to upgrade its Windows 10 PC estate to provide a stable working environment. The Trust has circa 5000 PC's/laptops which will be required to be updated as part of this process. Due to many ongoing projects the Trust is looking for a deployment partner to support this process with a rapid deployment minimising the impact on clinical services.

Suppliers who are able to offer services relevant to this requirement are invited to express an interest and respond to a market engagement questionnaire. Further details on how to do this are contained within the additional information section of this notice.

This exercise is intended to provide potential bidders with the opportunity to review the Authority's draft specification and to provide information regarding the services they can offer that could meet these outline requirements. This builds on the Authority's commitment to engage with the market, by sharing information and seeking input from the market to enable us to develop the final specification and determine the appropriate route to market in a fair and transparent manner.
