Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Cyclamen Service Procurement: Market Engagement Event: UPDATE

II.1.2) Main CPV code

- 90721600 - Radiation protection services

II.1.3) Type of contract

Services

II.1.4) Short description

The Home Office is continuing its early market engagement ahead of a formal procurement to put in place a new successor contract for the service and maintenance of the Cyclamen Service. This is an update to the PIN published on 20 Dec 2023: Cyclamen Service Re-Procurement: Supplier Networking Event. Notice reference: 2023/S 000-037525

As part of early market engagement, Home Office is hosting an in-person Market Engagement Event on Monday 15th April 2024. The event will be held in London, between 12:00-17:00.

For further information and to register your interest, suppliers should visit the Home Office's eSourcing portal (Jaggaer) and look for: "PQQ_345 01 - Future Cyclamen: Non-Disclosure Agreement (NDA) for Early Market Engagement".

You should complete and submit the NDA following which we will invite your organisation to the Jaggaer site that contains our Early Market Engagement

documentation with more details about the Authority's requirements, market engagement update, networking information and how to participate.

Please note if your organisation previously completed an NDA, you should already have access to site: PQQ_347 02 - Future Cyclamen: Early Market Engagement. There is no requirement for you to complete a new NDA at this stage.

Background to this Future Opportunity:

The future contract will be for service and maintenance of Fixed and Non-Fixed

Radiological and Nuclear (RN) Detection equipment in support of Cyclamen, including the IT platform and infrastructure. It also includes the management of a Test Facility and the ability to procure associated hardware and software.

Cyclamen is the UK's RN border detection system, a critical capability in the armoury protecting the UK border, and is an important feature of CONTEST, the Government's counter terrorism strategy.

Please note this is not a call for competition but ongoing early market engagement.

II.1.5) Estimated total value

Value excluding VAT: £150,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

- 98113100 - Nuclear safety services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Home Office is hosting an in-person Market Engagement Event on Monday 15 April 2024. The event will be held in London, between 12:00-17:00.

The Authority's high level business outcomes and requirements are summarised below:

Provide service and maintenance to the current deployed live RN detection capability at ports and airports.

- Manage the associated IT infrastructure, both cloud-based and physical.
- Manage a Test Facility for the purpose of testing, integration, and storage.
- Procure the associated hardware and software on behalf of the Authority.
- Work with other suppliers and subject matter experts in the testing, calibration, and integration of new and existing components within the solution and any changes discovered through the continuous improvement process.

II.2.14) Additional information

To take part please register on Home Office eSourcing portal — <https://homeoffice.app.jaggaer.com/web/login.html> and look for: "PQQ_345 01 - Future Cyclamen: Non-Disclosure Agreement (NDA) for Early Market Engagement".

You will then be invited to our microsite in Jaggaer where you can find more information about our requirements and express your interest to attend our market engagement event.

II.3) Estimated date of publication of contract notice

31 May 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
