II.1.4) Short description

The University is seeking reputable companies with a proven track record in directly managing and delivering technically demanding Hard Facilities Management services to similar organisations. The University are proposing to introduce a contract for Hard FM services (including mechanical, electrical, building fabric maintenance) and grounds maintenance to its estate in the Liverpool City Region.

The University expects the FM contract to commence in October 2021 and operate for a period of 5 years with an option to extend the contract by 1 + 1 year(s).

It is anticipated that all services will be underpinned by technology and robust policies and procedures which will at all times reflect good industry practice within an environment of continuous improvement.

The selected Bidder's innovative approach will ensure resilient services to the University Estate and drive efficiencies resulting in improved value for money. The selected Bidder's partnership approach and effective communications will also ensure that there are good relations with all parties and synergies are maximised.
