VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Extension of NHS Scotland's Software Reseller framework for a period of 7 months using regulation 72(1)(c). The new framework end date is 31 Jan 2023.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

The re-procurement exercise for this framework is underway, with the Contract Notice due to be published imminently. Further time than originally anticipated is required to complete the procurement strategy, therefore procurement timelines have been extended. Full

detail of re-procurement timelines will be contained within the upcoming Contract Notice. A seven-month framework extension is required to ensure there is no gap in framework coverage while the re-procurement process is ongoing.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £244,000,000

Total contract value after the modifications
