II.1.4) Short description

North Northamptonshire Council (hereafter referred to as the "Council") wishes to invite

Tender Responses for the supply of assistive technology equipment in respect of this requirement.

This procurement process is being managed by the Council in accordance with the Public Contracts Regulations 2015.

In recent years In recent years, the digital revolution has changed our world. Our long-term vision for Health, Social Care and Housing sees huge opportunity for using modern digital technology to transform the way our services are provided.

New assistive technology will play an ever-increasing role in supporting healthy and fulfilling lives. This strategy document sets out a vision for how we can use a more preventative approach rather than a reactive approach using the best of the latest technology to support people within North Northamptonshire to thrive.

The service will be available to all residents of North Northamptonshire. The service will provide to those that are self-funders and those who are eligible for a free provision under NNC Eligibility Criteria. Assistive Technology will form part of a person's support plan and will be available to people who have direct payments or a personal budget as well as people for whom the Council arranges their care.
