This prior information Notice informs the market of the future tender opportunity and offers any interested suppliers a further opportunity to attend a Supplier Engagement Event.

This provision would include a referral and triage hub for low-medium risk offenders who have met the eligibility criteria for, and been offered, an Out of Court Disposal by Bedfordshire Police. The hub will conduct a needs assessment of the service user to determine the most appropriate rehabilitative or restorative intervention for them. The service will also provide support to other offenders who wish to address offending behaviours. For both pathways, a suite of interventions for the offender should be available, although the service may in some cases refer the offender to other available interventions outside the service should this be more suitable.
