Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The award of the contract without prior publication is justified because the thermometer probe covers in this contract are dedicated consumables for presently installed equipment throughout NHS Scotland's Health Boards and there is no generic competition in the market place. These products are only supplied from a single source; therefore, no opportunity to publish a call for competition.
