Extend the period for a further five months (up to 31 January 2023) with an option to extend for up to an additional four months (up to 31 May 2023).

These absences are stretching the resources they have to engage with Procurement and devote time to undertake the tender process, PME and tender evaluations.

### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

These absences are stretching the resources they have to engage with Procurement and devote time to undertake the tender process, PME and tender evaluations.
