II.2.4) Description of the procurement

The aim of the EHC Service in Oxfordshire is to reduce the risk of unintended and unwanted pregnancy in women, by providing adequate and appropriate access to EHC. The provision of the medication for EHC is under a 'Patient Group Direction' (PGD).

Service objectives include:

- Free access to EHC according to the inclusion criteria of the relevant PGD.
- Providing sexual health information and advice in order to develop increased knowledge, especially in high-need communities, such as those from cultures where sexual health is not spoken about;
- Ensuring that the Service is acceptable and accessible to young people;
- Signposting to other services such as the Integrated Sexual Health Service and the Free Condom Scheme;
- Assess all Service Users for any potential safeguarding risk.
