II.1.4) Short description

The University of Hertfordshire is seeking suitably experienced companies for the design, installation and maintenance of an immersive simulated learning suite and provision of training scenarios for BSc (Hons) Professional Policing degree at the University's De Havilland Campus in Hatfield, Hertfordshire. The immersive learning suite should be supported by technology to allow students to gain experience of multidisciplinary management across a range of realistic policing scenarios. The training scenarios must cover areas across the National Policing Curriculum, so that graduates are well-prepared for moving into careers in policing. It would be desirable that the supplier has experience of working with police forces and other emergency services. It is intended that the learning suite is ready for use by September 2024 for start of 2024/25 academic year.
