Scope

Description

To ensure continuity of service and meet increasing demand we are proposing a new three year contract that will appoint three contractors, one covering the South or North London. Another working across both North and South and the third covering North West (Greater Manchester) . This approach will help us manage the workload, improve performance monitoring and contract management and ensure continued compliance with fire safety legislation.

The objective of this procurement is to establish a new contract with the option to extend by up to two additional years (3 + 1 + 1), running to July 2029, for the delivery of fire remedial works across our housing stock. The new contract will appoint three contractors following a full competitive tender process.
