Intergrated Respiratory Services - SWH

#### II.1.2) Main CPV code

- 85100000 - Health services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

West Hertfordshire Teaching Hospital NHS Trust and Central London Community Healthcare NHS Trust provide both acute and community Respiratory Services for patients with Respiratory conditions across all four localities in South and West Herts place. The Integrated Respiratory Service will provide a multi-disciplinary hub, enabling assessment, diagnosis and management of patients with respiratory conditions in SWH. The service will provide access to multi-disciplinary team assessment, diagnostics, and treatment, improving the quality of care for patients. It focuses on clearly defined clinical pathways, GP support, advice and guidance and education. This service facilitates a truly integrated model of care enabling a resilient healthcare system for the future. To confirm as per the PSR direct award process C, the existing providers are satisfying the existing contracts, delivering a good service, meeting all KPIs, with no quality concerns and good outcomes and has very good feedback from GPs and patients and are likely to satisfy the new contracts. The proposed contracting arrangements are not changing from the existing contracts.

Text

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the standstill period. Representations by providers must be made to decision makers by 4th March 2025. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

Any written representations should be sent to: [hweicbhv.procurementteam@nhs.net](mailto:hweicbhv.procurementteam@nhs.net)

The decision was made at the HWE ICB Strategic Finance and Commissioning Committee, September 2024.

There were no conflicts of interest identified.

The decision to award this contract in line with Direct Award Process C was based on evaluation against the five required key criteria as follows:

- Quality and Innovation - Assured - HWE ICB are assured that the provider is delivering a safe

and effective service as required by the specification and contract they are currently delivering.

- Value - Assured - HWE ICB are assured that the provider is delivering value to the Health &

Care Partnership integrated care system.

- Integration, Collaboration and Service Sustainability - Assured - HWE ICB are assured that

the provider is positively impacting on the integrated care system through their integration and collaboration delivered as a requirement of the specification or alternative elements linked to the delivery.

- Improving Access, Reducing Health Inequalities and Facilitating Choice - Assured - HWE

ICB are assured that the provider is meeting needs of the population to ensure equitable access and choice as required by the specification and contract.

- Social Value - Assured - HWE ICB are assured that the provider is delivering in line with the

HWE Green Plan, supporting with the implementation of carbon reduction and increase in initiatives which positively impact on the wider determinants of health.
