## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

North East Lincolnshire Capital Works Frameworks

Reference number

79895

#### **II.1.2) Main CPV code**

- 45000000 - Construction work

#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

Equans Services Limited on behalf of North East Lincolnshire Council are seeking suitably qualified contractors for the renewal of its Capital Works framework, which is delivered by its Professional Services team.

The works to be carried out under this framework focuses around repairs, maintenance, refurbishment, new capital projects and extensions to Authority owned assets, leisure portfolio and schools/academies. The works will be both internal and external construction to assets including buildings, site works, substructure, superstructure, internal construction and finishes, electrical, mechanical, and access systems.

#### **II.1.6) Information about lots**

This contract is divided into lots: Yes

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £50,000,000

### **II.2) Description**

#### **II.2.1) Title**

### **II.2.3) Place of performance**

NUTS codes

- UKE13 - North and North East Lincolnshire

Main site or place of performance

North East Lincolnshire

### **II.2.4) Description of the procurement**

Lot 1 is for works between the value of 0 GBP to 250 000 GBP.

This lot provides the mechanism to allow mini competitions to be completed, which identify a suitably competent contractor to deliver general building works, primarily associated to the

authority's assets, leisure portfolio, and schools/academies.

There will be no obligation for the Authority to enter into call-off contracts nor will any guarantee be given about minimum volumes of works or indeed through this framework agreement.

Volumes are subject to change based on budgetary alteration outside the Authority's control.

Each project will be subject to a mini-competition, where all contractors, who have met the minimum scoring criteria for this lot will be invited to tender.

Contractors will be issued with a Work Schedule which will be evaluated on 100 % price.

However, there may be occasions when a price/quality split will be required.

The design engineer/quantity surveyor will undertake an initial assessment of the whole life cost of each project prior to the invitation to tender to enable a comparison between the assessment and bids received to ensure value for money.

Once bids are evaluated, if the design engineer/quantity surveyor assesses that the tender is not proving value for money, the project will not be awarded and will be re-tendered.

If at any time, during the lifetime of this framework, the framework is no longer proving value for money, the Authority will reserve the right to terminate and re-procure.
