Planning

Re-roof, installation of solar and ground source heating systems

Peacehaven Town Council

UK3: Planned procurement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-009015

Procurement identifier (OCID): ocds-h6vhtk-04ec36 ([view related notices](#))

Published 12 March 2025, 2:31pm

This is an old version of this notice. [View the latest version.](#)

Scope

Description

1. Removal of the existing gas fired heating and hot water systems.
2. Replacement of the existing roof coverings, incorporating enhanced thermal efficiency.
3. Installation of heat pump(s) and roof-mounted solar panels which provide complementary energy supplies to support the lighting, space and water heating facilities in the building. (The Council wishes to explore the costs of either ground-source or air-source heat pumps or a combination of both to achieve maximum public benefit and value for money)
4. It is expected that the works will produce a building which will support the ambition of the Town Council to move towards a zero-carbon Peacehaven.

Contract dates (estimated)

- 21 July 2025 to 29 August 2025
- 1 month, 9 days

Options

The right to additional purchases while the contract is valid.

The Town Council is seeking to move the building towards net-zero and wishes to consider the alternative costs of ground-source and air-source heat pumps in addition to the installation of roof mounted photovoltaic panels.

Main procurement category

Works

CPV classifications

- 09321000 - Hot water
- 09332000 - Solar installation
- 44112400 - Roof
